

ADOPT A STUDENT PROGRAM

What is ADOPT A STUDENT?

Adopting a student for just \$22.50 per month is a wonderful way to help change the life of a student in need. Sponsoring a student will allow them uninterrupted participation in one dance class per week.

How does sponsorship work?

When you make a gift, your contribution is matched by Action Dance dollar for dollar. Your contribution is then pooled with contributions from other sponsors into the general fund. The Action Parent Association (APA) delegates these funds to ensure that each student is allotted an appropriate amount based on financial need.

The goal of sponsorship is to allow as many students as possible to step into dance class and out of disadvantage. Each student has a different level of need, which means that your sponsorship may help just one student or many students for one month or years.

Why adopt a student through Action Dance?

Action Dance's student sponsorship program creates real, lasting change for children, teenagers, and young adults. Sponsoring a student will help them off the couch or off the street. Students in dance class will experience fun, friendships, confidence, creativity, and health.

Who manages the contributions?

The Action Parent Association (APA) oversees the general fund and ensures that one hundred percent of all contributions are directly used to enroll underprivileged students in the classes. Every student must fill out an application for financial assistance before receiving money from the fund. Each application is reviewed by the APA and judged for financial need. If you or your are child enrolled in classes at Action Dance, you can become a member of APA.

What can my contribution do?

Your Monthly Contribution	Total after being matched by Action Dance	One Possibility
\$25.00	\$50.00	One student one class a week
\$47.50	\$95.00	One student, two classes a week
\$50.00	\$100.00	Two students, one class a week
\$95.00	\$190.00	Two students, two classes a week

Contribute to the general fund.

Give a one time gift to the APA general fund. Your generous donation to will allow us to respond quickly to those students needing assistance immediately. Any amount that you can give will make a difference.

A note from the director.

Most of us were fortunate to participate in sports and the arts when we were growing up. Unfortunately in our country today, many students and families cannot afford the luxury of a quality dance education at a professional dance school. What a shame it would be to turn someone away because of their income level or extenuating circumstances. Without your support, Action Dance would not be able to offer financial assistance to these students and families in need. Will you assist us in helping those less fortunate?

Jacob Rodvelt-Gamlieli

President of Action Dance

Third Generation Dance Instructor

"...you are capable of inspiring and challenging lives. I appreciate what you are doing for Seth and our community."

~Arlene Thomas, Dance Parent

How to contribute.

To make a donation please mail your check payable to the Action Parent Association at:

1010 South 30th Street, Tacoma, WA 98409

To pay by credit card please contact us at:
(253) 627-7837

THANK-YOU!
