

AUDITION RESULTS

Thank you to all who auditioned. We are very excited to see all the young talent. The teachers had a tough time making their decisions, but the results are in. Below you'll find the 2010-2011 teams. These results may be adjusted based on actual enrollment. We apologize in advance; however if too many students whom auditioned choose not to participate in any particular company we may release a new set of audition results to compensate. (A "u/s" designates an understudy position).

The director will be accepting private auditions for company this summer as long as he feels the addition to the company would be beneficial to the whole and in no way sacrifice the integrity of the company. To audition please email misterjacob@actiondance.com.

If you've been accepted, please make an appointment with Anna Vega, the Performing Company Coordinator to review and sign your Company Agreement (annav@actiondance.com). Company Agreements and the first Competitive Fee payment are due by July 19 to guarantee your company placement. If you choose not to join the performing company please give Action Dance a courtesy call. Thank-you again for auditioning.
